ABOUT THE COLLEGE

The Ramakrishna Mission Vivekananda College is a unit of Ramakrishna Mission Vidyapith, Chennai, which is a branch center of Ramakrishna Mission, Belur Math, West Bengal. It occupies a place of pre-eminence among the Educational Institutions of the Mission in India.

Imbued with the spiritual ambience Ramakrishna Mission Vidyapith, Chennai, through its all units, has been endeavouring for more than 75 years to impart man-making and character-building education as envisaged by Swami Vivekananda.

Here, every effort is aimed at developing a man's life at various levels such as the physical, mental, intellectual, moral and spiritual. Such a simultaneous and harmonious all-round development helps an individual to attain the summum bonum of life — which is to realise the oneness of all existence. The College conducts special programmes such as Religion Classes and Swami Vivekananda Study Circle classes which aim at giving the students an insight into spirituality in its Universal Form as propounded by Sri Ramakrishna and practically illustrated by his own life and teachings.

Inculcation of value-based education by encouraging every individual to develop self-confidence, faith in oneself, and concern for fellow beings as exemplified in the life and message of Swami Vivekananda is the ideal of this Institution.

FORENSIC TREASURE HUNT

Forensic treasure Hunt

OBJECTIVE

The event consists of five stages where participants identify financial errors, solve challenges, and use the clues obtained to proceed to the next stage.

FORMAT

FORMAT OF THE GAME

Stage 1 – Forensic Screening

Participants will answer a set of basic forensic and logical reasoning questions. Correct answers will qualify the team for the next stage.

Stage 2 – Evidence Analysis

Teams will analyse the given forensic evidence and identify the relevant clues. The correct solution will lead them to the next stage.

Stage 3 – Investigation Hunt

Teams will follow a series of forensic clues placed at designated locations. Each correctly solved clue will reveal the next step of the investigation.

Stage 4 – Final Case

Qualified teams will analyse the collected clues and evidence to identify the final solution. The team with the highest score and best accuracy will be declared the winner.

RULES & REGULATIONS

1. No on-the-spot registration.
2. Pen and paper will be provided for calculations.
3. Mobile phones, calculators, smart watches, and other electronic devices are strictly prohibited.
4. Bags must be kept in the designated area.
5. Participants must compile the collected clues/data and submit a final report to the judges.
6. Participants may approach the event representatives for clarification at any stage.
7. Violation of the rules may result in immediate disqualification.

BUSINESS PROPOSAL

OBJECTIVE

The event aims to provide students with hands-on exposure to business planning, entrepreneurship, and professional pitching. It enables participants to transform their ideas into practical business proposals while understanding market trends, target consumers, competition, revenue models, and financial feasibility. The event also provides an opportunity to interact with professionals and bridge the gap between classroom learning and industry practice.

JUDGING CRITERIA

- Creativity and originality of the business idea
- Relevance to real-world business factors
- Target market and consumer understanding
- Revenue model and financial feasibility
- Market competition and business potential
- Clarity and effectiveness of presentation
- Confidence and response during the Q&A session

EVENT STRUCTURE

- Participants must submit their business proposal in PPT and PDF formats.
- Each team will be allotted 10 minutes in total.
- 8 minutes will be allotted for the presentation and 2 minutes for the Q&A session.
- A reminder will be given at the 7-minute mark.
- Participants will be notified at the 8-minute mark to conclude the presentation and proceed to the Q&A session.
- The time allotted may be revised depending on the number of participating teams.

RULES & REGULATIONS

1. Each team must consist of Maximum of 2 members.
2. The business idea presented must be original and relevant to the proposed market.
3. Participants must submit their PPT and PDF within the specified submission deadline.
4. The presentation must be prepared and presented by the registered participants only.
5. Participants must strictly adhere to the 10-minute time limit.
6. Exceeding the allotted presentation time may result in deduction of marks.
7. Participants must be prepared to answer questions raised by the judges during the Q&A session.
8. Use of offensive, inappropriate, or plagiarised content is strictly prohibited.
9. Participants may use supporting visuals, charts, graphs, financial projections, and other relevant materials in their presentation.
10. The decision of the judging panel will be final and binding.
11. Failure to comply with the rules may result in disqualification.

STOCK WARS

OVERVIEW

Stock Wars is an investment strategy competition that simulates real-world stock market dynamics. Participants take on the role of portfolio managers, using virtual funds to analyse market scenarios, allocate investments, and optimise their portfolios. The event tests financial knowledge, risk assessment, strategic thinking, and decision-making under time constraints.

EVENT DETAILS

- Teams per College: 2
- Participants per Team: 2
- Duration: 2 Hours
- Venue: To be announced
- Date & Time: 10th October 2025 | 1:30 PM – 3:30 PM

EVENT FORMAT

- Each team will receive a fixed amount of virtual funds at the beginning of the event.
- A curated list of stocks and market scenarios will be provided during the event.
- Teams must analyse the available options and build their portfolios within the allotted time.
- Participants may be required to respond to changing market conditions or scenarios during the event.
- The final portfolio will be evaluated based on its profitability, diversification, and risk management.

EVALUATION CRITERIA

- **Portfolio Returns:** Overall profitability generated from investments.
- **Strategic Allocation:** Effective distribution of funds across selected stocks.
- **Risk Management:** Ability to balance high- and low-risk investments.
- **Decision-Making:** Ability to respond effectively to market scenarios.

RULES & GUIDELINES

1. Only 2 teams per college, with 2 participants per team, will be permitted.
2. All transactions will be carried out using virtual funds only; no real money will be involved.
3. Teams must operate within the virtual fund limit provided at the beginning of the event.
4. Participants must make all investment decisions within the specified time limit.
5. Teams must maintain their own record of investments, allocations, and portfolio performance.
6. Mobile phones, calculators, or other electronic devices may be restricted as per the organisers' instructions during the competition.
7. Participants must not communicate with or seek assistance from other teams during the event.
8. Any attempt to manipulate, obtain unauthorised information, or interfere with another team's portfolio will result in disqualification.
9. The team achieving the highest final portfolio value, while satisfying the evaluation criteria, will be declared the winner.
10. The decision of the judges/event coordinators will be final and binding.
11. The organisers reserve the right to modify the event format, timings, or rules based on the number of participating teams or other operational requirements.
