ABOUT THE COLLEGE

The Ramakrishna Mission Vivekananda College is a unit of Ramakrishna Mission Vidyapith, Chennai, which is a branch center of Ramakrishna Mission, Belur Math, West Bengal. It occupies a place of pre-eminence among the Educational Institutions of the Mission in India.

Imbued with the spiritual ambience Ramakrishna Mission Vidyapith, Chennai, through its all units, has been endeavouring for more than 75 years to impart man-making and character-building education as envisaged by Swami Vivekananda.

Here, every effort is aimed at developing a man's life at various levels such as the physical, mental, intellectual, moral and spiritual. Such a simultaneous and harmonious all-round development helps an individual to attain the summum bonum of life — which is to realise the oneness of all existence. The College conducts special programmes such as Religion Classes and Swami Vivekananda Study Circle classes which aim at giving the students an insight into spirituality in its Universal Form as propounded by Sri Ramakrishna and practically illustrated by his own life and teachings.

Inculcation of value-based education by encouraging every individual to develop self-confidence, faith in oneself, and concern for fellow beings as exemplified in the life and message of Swami Vivekananda is the ideal of this Institution.
