ABOUT THE COLLEGE

The Ramakrishna Mission Vivekananda College is a unit of Ramakrishna Mission Vidyapith, Chennai, which is a branch center of Ramakrishna Mission, Belur Math, West Bengal. It occupies a place of pre-eminence among the Educational Institutions of the Mission in India.

Imbued with the spiritual ambience Ramakrishna Mission Vidyapith, Chennai, through its all units, has been endeavouring for more than 75 years to impart man-making and character-building education as envisaged by Swami Vivekananda.

Here, every effort is aimed at developing a man's life at various levels such as the physical, mental, intellectual, moral and spiritual. Such a simultaneous and harmonious all-round development helps an individual to attain the summum bonum of life — which is to realise the oneness of all existence. The College conducts special programmes such as Religion Classes and Swami Vivekananda Study Circle classes which aim at giving the students an insight into spirituality in its Universal Form as propounded by Sri Ramakrishna and practically illustrated by his own life and teachings.

Inculcation of value-based education by encouraging every individual to develop self-confidence, faith in oneself, and concern for fellow beings as exemplified in the life and message of Swami Vivekananda is the ideal of this Institution.

Forensic treasure Hunt

OBJECTIVE

The event consists of five stages where participants identify financial errors, solve challenges, and use the clues obtained to proceed to the next stage.

FORMAT OF THE GAME

Stage 1 – Forensic Screening

Participants will answer a set of basic forensic and logical reasoning questions. Correct answers will qualify the team for the next stage.

Stage 2 – Evidence Analysis

Teams will analyse the given forensic evidence and identify the relevant clues. The correct solution will lead them to the next stage.

Stage 3 – Investigation Hunt

Teams will follow a series of forensic clues placed at designated locations. Each correctly solved clue will reveal the next step of the investigation.

Stage 4 – Final Case

Qualified teams will analyse the collected clues and evidence to identify the final solution. The team with the highest score and best accuracy will be declared the winner.
