RULE BOOK

ABOUT THE COLLEGE

The Ramakrishna Mission Vivekananda College is a unit of Ramakrishna Mission Vidyapith, Chennai, which is a branch center of Ramakrishna Mission, Belur Math, West Bengal. It occupies a place of pre-eminence among the Educational Institutions of the Mission in India.

Imbued with the spiritual ambience Ramakrishna Mission Vidyapith, Chennai, through its all units, has been endeavouring for more than 75 years to impart man-making and character-building education as envisaged by Swami Vivekananda.

Here, every effort is aimed at developing a man's life at various levels such as the physical, mental, intellectual, moral and spiritual. Such a simultaneous and harmonious all-round development helps an individual to attain the summum bonum of life — which is to realise the oneness of all existence. The College conducts special programmes such as Religion Classes and Swami Vivekananda Study Circle classes which aim at giving the students an insight into spirituality in its Universal Form as propounded by Sri Ramakrishna and practically illustrated by his own life and teachings.

Inculcation of value-based education by encouraging every individual to develop self-confidence, faith in oneself, and concern for fellow beings as exemplified in the life and message of Swami Vivekananda is the ideal of this Institution.

STOCK WARS

OVERVIEW

Stock Wars is an investment strategy competition that simulates real-world stock market dynamics. Participants take on the role of portfolio managers, using virtual funds to analyse market scenarios, allocate investments, and optimise their portfolios. The event tests financial knowledge, risk assessment, strategic thinking, and decision-making under time constraints.

EVENT FORMAT

- Each team will receive a fixed amount of virtual funds at the beginning of the event.
- A curated list of stocks and market scenarios will be provided during the event.
- Teams must analyse the available options and build their portfolios within the allotted time.
- Participants may be required to respond to changing market conditions or scenarios during the event.
- The final portfolio will be evaluated based on its profitability, diversification, and risk management.

EVALUATION CRITERIA

- **Portfolio Returns:** Overall profitability generated from investments.
- **Strategic Allocation:** Effective distribution of funds across selected stocks.
- **Risk Management:** Ability to balance high- and low-risk investments.
- **Decision-Making:** Ability to respond effectively to market scenarios.

RULES & GUIDELINES

1. Only 2 teams per college, with 2 participants per team, will be permitted.
2. All transactions will be carried out using virtual funds only; no real money will be involved.
3. Teams must operate within the virtual fund limit provided at the beginning of the event.
4. Participants must make all investment decisions within the specified time limit.
5. Teams must maintain their own record of investments, allocations, and portfolio performance.
6. Mobile phones, calculators, or other electronic devices may be restricted as per the organisers' instructions during the competition.
7. Participants must not communicate with or seek assistance from other teams during the event.
8. Any attempt to manipulate, obtain unauthorised information, or interfere with another team's portfolio will result in disqualification.
9. The team achieving the highest final portfolio value, while satisfying the evaluation criteria, will be declared the winner.
10. The decision of the judges/event coordinators will be final and binding.
11. The organisers reserve the right to modify the event format, timings, or rules based on the number of participating teams or other operational requirements.
